131st Annual Carlton County Fair Dedication

On behalf of the Carlton County Agricultural Society, we are proud to dedicate the 2022 Carlton County Fair to Linda Langness.

Linda has been the Superintendent of Horticulture since the retirement of Carl Anderson in 1985. Linda grew up on a small dairy farm in Blackhoof Valley where her parents also raised potatoes and cabbage. She was a member of Blackhoof Valley 4-H Club and exhibited annually at the Carlton County Fair, became a 4-H leader of “Barnum Bees”, and worked in the 4-H diner both as a youth and adult.

Under Linda’s leadership and her amazing team, the Horticulture Division expanded beyond the traditional vegetables and fruits. It has expanded to scarecrow crafting for adults and children, along with amateur wine, beer, cider, and mead making in 1991.

Linda graduated from Barnum High School, received her B.S. degree from UMD, and was a teacher at Moose Lake and Barnum Schools. She was Carlton County Outstanding Senior Citizen in 2014.

Linda’s husband, Ed, passed away in May of 2021. She is a devoted mother to Julie Tawa and Karen Langness, her daughters and to Jonathon and Amelia Tawa, her grandchildren.

You will find Linda at the county fair from early Wednesday through Sunday night. If she isn’t next to the hay samples in the Carl Anderson Building, she may be at the Senior Citizens Building selling her embroidered towels. Linda loves volunteering for various organizations and non-profits. Her hobbies include raising her own gardens of vegetables and flowers, reading, baking, collecting debris in ditches, biking, walking, and most of all being “Mrs. Barnum” (historian of the town).

THE DO'S and DONT'S IN PREPARING YOUR VEGETABLE EXHIBIT

SNAP BEANS: Harvest before constrictions appear between seeds, when seeds are about half grown. Ends of pods should not be broken off in picking. Pods should be uniform. Pods may be wiped clean, but not washed.

BEETS, CARROTS, PARSNIPS, RUTABAGAS: Root crops should be mature but not over grown, pithy or coarse in texture. Tops trimmed off 1 1/2 inches above crown. Side roots trimmed off but not the top root. Roots carefully washed but not scrubbed.

BROCCOLI: Heads should be dark or purplish green and compact. Avoid yellow flowers in head. Stems cut about 5 inches from top of head.

CABBAGE: Stems cut about 1/4 inch below the head. Remove blemished or broken leaves but care should be taken not to peel the heads too much. A few outside wrapper leaves are desirable. Specimens may be washed.

CAULIFLOWER: Heads should be white, compact, and free of small leaves and ricy texture. Stems cut so as to leave 4 to 6 leaves. Outer leaves trimmed to 1 to 2 inches above the white head. Use soft bristled brush to remove dirt from heads.

CELERY: Remove roots of stalk and trim butt to form a triangle or pyramid. Trim diseased and broken leaves on outside until color is uniform.

SWEET CORN: Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks but allow a short shank and the inner husks to remain.

CUCUMBERS: Pickling: select fruits 3 to 5 inches long. Specimens should be the same stage of maturity and uniform in size, shape and color. Slicers: select fruits that are straight and stems = 1/2", dark green, and 6 to 10 inches long. They should be uniform in size, shape and color.

KOHLRABI: Remove roots just below the ball. Remove all but the upper 4 to 6 leaves. Select specimens that are uniform, medium size, and not hard or woody. Skin should be easily punctured by thumbnail. They should be clean, but not washed.

ONIONS: Have specimens mature and thoroughly cured. The neck should be small. Do not peel to give slick appearance. Only such outer scales that are broken or discolored should be removed. Small basal roots should be left intact but trimmed to uniform length of 1/2 inch. Wipe or brush but do not wash.

POTATOES: Tubers should be uniform in size, color and shape. Washing is permitted but do not blemish the skin by scrubbing. Avoid specimens with defects or disease.

RHUBARB: Select specimens that are straight, uniform and unblemished. Stalks should be pulled from the plant, not cut. Trim the leaf blade to about one inch above the stalk.

SUMMER SQUASH: Select small to medium size fruits when the rind is soft and easily punctured with thumbnail. Leave about 1/2 inch of stem and wipe fruits clean.

WINTER SQUASH and PUMPKINS: Select mature specimens where the rind resists the pressure of the thumbnail. Fruits should be free of defects. Leave stem attached to the fruits.

SWISS CHARD: Select plants that are fresh, crisp and have bright green leaves. Trim off roots and trim butts to pyramid shape. Trim off diseased and broken leaves on the outside until the color is uniform.

TOMATOES: Select fruits that are uniform in size, shape and color. Fruits should be perfectly shaped and free of cracks or blemishes.

The Carlton County Fair lost a special person this year...

Shelley “Sam” Hartman, 66, Moose Lake, formerly of Carlton, gained her wings on Tuesday, April 12, 2022. She was born on August 30, 1955 in Duluth to Harold and Helen Olsen. Shelley grew up on Green Hill Farm west of Barnum and attended Barnum High School. On June 28, 1975, Shelley married Dave Hartman in Moose Lake. Although their relationship may not have been what most would have considered normal, they truly loved each other and kept each other company through the years. They lived in Carlton where Shelley worked at S & A Market and later as a paraprofessional at Carlton School. “Mrs. H.” and “Ms. Shelley” loved her job as a paraprofessional and cultivated many relationships with the students into their adulthood as she continued to show her love and care for each individual. If any of the students had deeper problems or concerns, Shelley just poured more love and time into that relationship to help them. She was President of the Carlton Fire Department Auxiliary for several years. In 1999, Shelley became manager at the Carlton County Fair. She gave so much effort and her larger than life personality to make the Carlton County Fair a better place for families to enjoy. She took on many projects, including building the Arch as you enter the Carlton County Fair. The Shelley “Sam” Hartman Pavilion was built in her honor for the love and dedication she gave to the Carlton County Fair. In 2010, Shelley gave the job to the “2nd best manager”, her daughter. Shelley will be remembered for her huge heart, her overflowing love she gave everyone, her contagious smile, her unforgettable laugh, and her angel collection. Family was a huge part of Shelley’s life and her grandchildren meant the world to her. She will always be remembered for her Facebook activity that was truly her lifeline in later years as she was confined to her home.

We will miss you at the fair, Sam!
